THE PUBLIC SERVICE COMMISSION OF

SOUTH CAROLINA

DOCKET NO. 92-148-T - ORDER NO. 92-632

AUGUST 5, 1992

IN RE: Application of General Transport

Systems, Inc., 5550-77 Center

Drive, P.O. Box 19305, Charlotte,

NC 28219, for a Class E Certificate)

of Public Convenience and Necessity.

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of F. Lee Prickett, Jr., Esquire, who represents the Intervenors Southeastern Freight Lines, Inc. and Rocket Express in this proceeding. Prickett has requested that we continue the hearing in this matter which is presently scheduled for August 12, 1992, due to his desire to attend the convention of the South Carolina Trial Lawyers Association, of which Prickett is a member of the Board of Governors. After consultation with counsel for General Transport Systems, Inc., we find that there is no objection to a continuance in this matter. The Commission therefore believes that the relief requested by Prickett should be granted.

IT IS THEREFORE ORDERED THAT:

1. The hearing originally scheduled in this matter for August 12, 1992, shall be continued to some future date.

2. That this Order shall remain in full force and effect until further Order of the Commission.
